Administration

This Yearbook summarizes the many successes our school has achieved during the 1966-67 school term. Foremost was the recognition given Cupertino High School by the National Association of Secondary School Principals. Cupertino High School, because of its innovations and quality education, was singled out as one of the leading secondary schools in the nation and invited to present a profile of excellence at the Winter Administrative Conference at Dallas, Texas. I wish to pay tribute to the staff and student body for this accomplishment.

Excellence in education is a goal set by everyone at Cupertino High School. Excellence, however, is a concept with many dimensions and implications. Excellence is not achieved simply by requiring more time and effort. It is the development of the student's ability to do independent, critical and creative thinking in all facets of his educational exposures. This excellence is continually being demonstrated by our staff and recognized by the countless number of visitors who frequent our Campus.

The esprit de corps ever present on our Campus is a mark of excellence of which we can all be proud. The memories and accomplishments of this year, recorded in the NUGGET, are yours to cherish for your lifetime. My wish for each of you is that they will serve as guiding lights for your future.

Class of '67

The class of '67 is the greatest class to have graduated from Cupertino High School. It is first in spirit, first in academic achievement, first in athletics, and first in size. From the beginning it pushed the student body on to new heights in creativity.

Included in its many accomplishments are: sponsors of the best Junior Prom ever to be held, winners of the inter-class relay two years in a row, victors over the class of '68 in Powder Puff, and the first class to beat the faculty in the Senior Jubilee.

The members of this class, who have accomplished so much as a group, will certainly find themselves among the distinguished of the world.

Senior Jubilee

March 3rd saw an evening of enjoyment for much of the student body. The Class of '67 held its Senior Jubilee as a fund-raising activity for the all-important (and expensive) last four months of high school. Grossing about \$725, they were successful in their aim. Those attending also came out ahead. After a meal in the cafeteria, they could go to an excellent talent show highlighting exchange student Monica Martins, Tina Lanser, this year's Homecoming Queen, and the ever-present Thunder Jumpkins and his Santa Cruz Mountain Boys. Then to watch the victorious Senior basketball team massacre the Faculty, followed by a dance with music provided by the Habit.

Juniors

The members of the Class of '68 proved themselves as dynamic upperclassmen. Aiming high, the ingenious Juniors cleaned up the student body when they had a shoe shine in December. Their enthusiasm was bolstered by the rewarding of their efforts during spirit week. Having worked many months on hall decorations, the Class of '68 provided a "circus extravaganza" for the entire school. On April 21, the class of 1968 honored the Senior Class by presenting the best Junior Prom in the history of Cupertino.

Sophomores

This year's Sophomore Class has shown great skill at passing the "difficult age"—more than a Freshman, less than an upperclassman. Last year they showed their enthusiasm by winning the inter-class spirit trophy, and at press time were again leading the school in this competition. To plan for exciting (and expensive) years as Juniors and Seniors, many fund raising activities are in the offing. In a traditional vein, a bake sale is prepared. But their main activity will be something totally new at Cupertino—a Computer Dance, to be held in April.

Freshmen

Guided by their chosen leaders, class advisors, and the example of the upperclassmen, the Freshmen Class has gained a firm foothold on high school life. Through many fund-raising activities, the Class of '70 is well on its way to being a financially successful class. Well-planned rallies and enjoyable dances were only two areas in which the frosh excelled. Showing great ability in leadership, sports, and all-around activity, the members of the Freshmen Class can look forward to many great moments while attending Cupertino High.

Convention '67

Long hours of preparation by Tom Quinn, fall vice-president, made this convention the most successful that Cupertino has seen. It was certainly the shortest, and under the gavel (and gun) of chairman Garth Benham, boredom did not get a chance to set in. The business was, of course, to nominate candidates for spring office. But delegates often varied the proceedings with such fiascoes as a "play" performed by Sandee Johnson, Jim Luft, and Robin Welch.

Working with the ASB officers, the Executive Council is the liaison between the students and the administration. Meeting every other Wednesday, they are the mainstay of our student government. These leaders decide on such matters as the granting of concessions at home games, conferences, purchasing athletic equipment, and some social events. All ASB money bills are first presented to them for consideration.

The biggest job of the Executive Council is planning the Christmas Ball. Supervising it this year was the Commissioner of Activities Debbe Lewis. The members are also responsible for some of the after-game dances.

The judges are another important asset to our student government. This year for the first time, Chief Justice Garth Benham established two inferior courts so that the full court need not meet every time.

The judges work closely with the Board of Control. Any student who violates an ASB rule is given a ticket and subpoenaed to appear in court.

Active Spirit Leaders

Pep plus spirit equals our five vivacious Varsity Cheerleaders. Our outstanding squad, headed by Karen Rowell, took first place out of 70 schools in the SCVAL tournaments. The enthusiasm of our Varsity and Blazers Cheerleaders did much to make successful football and basketball seasons this year.

Cupertino's Song Girls proved that they were among the best in the state when they took first place in competition with 98 other schools at a 49'ers football game. Their fine performances at Cupertino's football and basketball games won them recognition as six of the best-looking and most talented Senior girls around.

Varsity Cheerleaders:

Claudia Brown, Sandee Harvey, Sandy Franey, Karen Rowell (head), Carol Honeycutt.

Song Girls: Dee Miller, Janis McPherson, Lynn Barthel, Renee Montagne, Cindy Hauf, Ginger Butts (head).

Blazer Cheerleaders: Dolores Jones(head), Debbie Roberson, Charity Swayze.

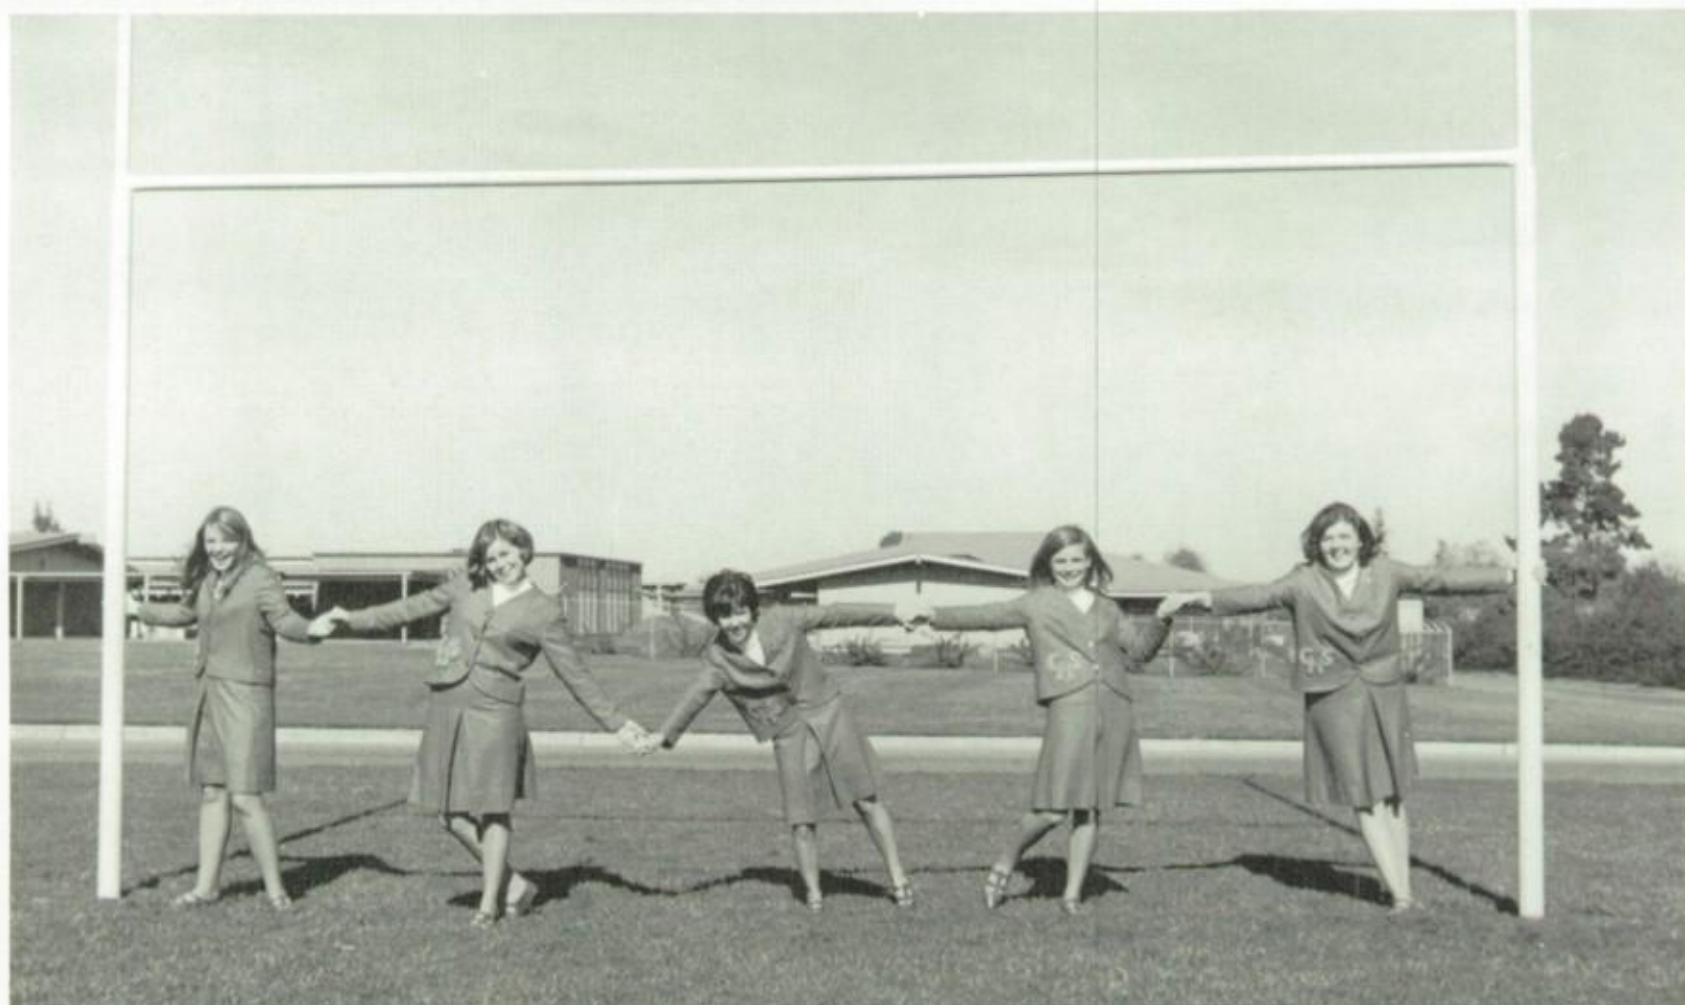

Pep Girls

Because it is the responsibility of the Pep Girls to encourage and develop school spirit, their tasks encompass a wide variety of activities. At least a week's work is behind the preparation of run-throughs, which are carefully made only to be destroyed in an instant. Then there are innumerable posters to be painted—check outside Mr. Cates' room almost any seventh period. The football field and the basketball court must be decorated for all home games. Finally, it's the work of the Pep Girls to supervise the Pep Club and to keep accounts of Club points.

This year's "girls in red" are Jan Finn, Liz Hawes, Maureen Manley, Jan Shanahan, and Claudia Ward.

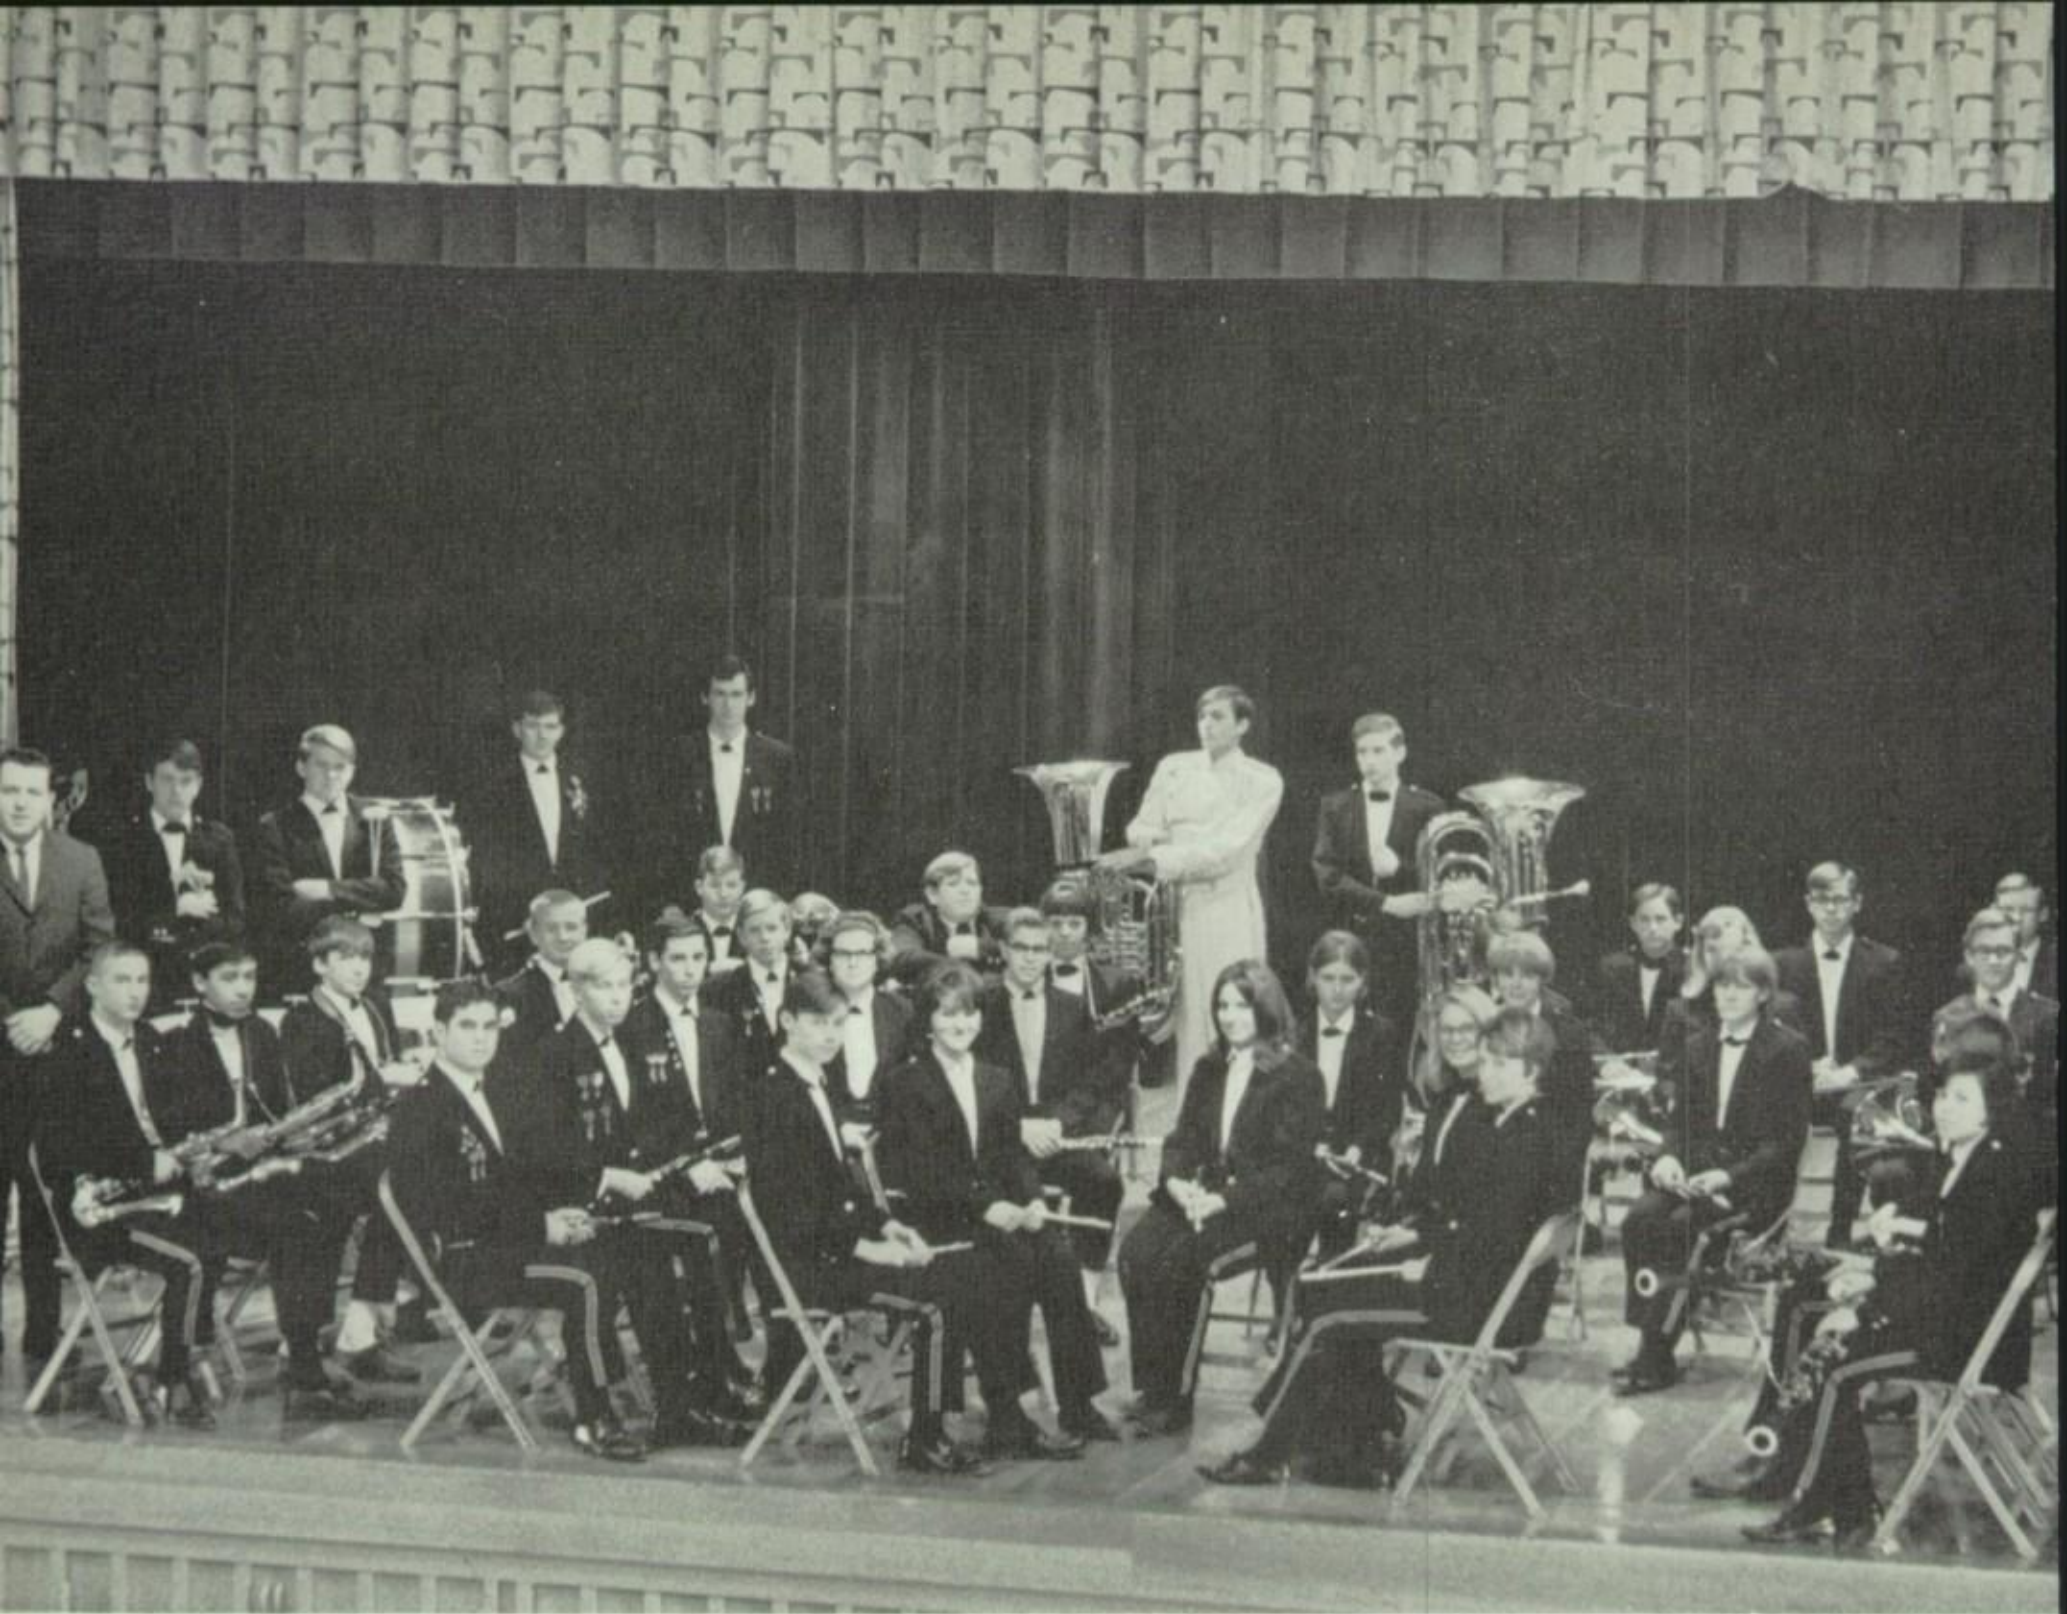

Golden Spurs

Front Row: Allison Duistermars, Barbara Cameron, Kathy Slama, Joanne Avery, Wendy Locke, Wendy Dorchak, Sherry O'Brien, Joan Atchinson, Joyce Provence. 2nd Row: Merilee Maine, Sue Hidalgo, Sue Just, Sally Cameron, Lynn Lopresto, Bev Klein. 3rd Row: Debbie Lopiccolo, Barbara

Carpenter, Jackie Kirkley, Gail Wright, Karen Klofter, Carol Corner, Maureen Clark, Carol Tompkins, Nadine Okamura. Missing from picture: Eileen Cobbs, Marsha Holan, Diane McIntyre, Sharon Small, Janis Lincoln, Vickie Young, Ann Imsland.

Cupertino Bands

The Cupertino Marching Band quickly impressed football spectators last fall with the band's new snappy marching steps and its imaginative half-time routines. Band members responded to the new direction of Mr. Robert Gomez. The Concert Band played several performances of the Christmas program and participated in the Pops Concert in March. The Pep Band raised the spirits of the Pioneers to riotous heights during game rallies.

Six Pioneer musicians earned membership in the tenth annual State Honor Band. Those honored were Garth Benham, percussion; Greg Farrell, cornet; Craig Lee, French horn; Richard McCracken, tuba; Dennis Noone, baritone; Jerrold Shapiro, clarinet. And a total of seventeen Cupertino bandsmen won County Honor Band awards.

Homecoming '66

The crowning of Tina Lanser by last year's Queen Nancy Olson highlighted the sixth annual Cupertino Homecoming. This was the first Homecoming game played on the Cupertino field, and it was marked by an impressive 34-0 victory over Bucsher. After the game, students danced to the music of the Chosen Few to celebrate the victory.

Vocal and Orchestral Music

After a busy fall of rigorous rehearsals, the Cupertino Choirs opened their season with Christmas Carols at Valley Fair Shopping Center. With little time for rest, they then provided all vocal music for the school Christmas program. Two spring concerts, one Pops, completed the year's activities. At press time, Mr. Gary Gober, our new choir director, indicated that the A Cappella Choir hoped to participate for the first time in the Bay Area Vocal Music Festival.

The string orchestra, under the direction of Mr. Gomez, accompanied the vocalists in the school's production of "Oklahoma". This group also took part in the spring concert.

Key Club

Homecoming is one of the biggest projects connected with the Cupertino Key Club. They organize princess nominations, plan the coronation ceremonies, and sell the dance tickets. To carry on the tradition established last year, they presented the most valuable player trophy to Terry Adams.

The Christmas food drive was the most successful so far. Over one hundred baskets of food were donated to the needy. Money was collected from students to help purchase turkeys and hams.

Interact

Interact Club is affiliated with Rotary International. As its name implies, its philosophy is interaction with those around them to promote international understanding. Supplementing the Christmas food drive, the proceeds from the annual Hootenanny helped to buy many of the meat products for the food baskets. In April, the Interact Club planned to have a jazz Festival featuring Bill Munday, a local artist, and Vince Guaraldi. The money from this musicale will be used to help the needy.

CHSS

This year the Cupertino High Service Society ranked as the "messiest club" on campus. Under the guidance of Mrs. Jensen, the dedicated members of CHSS served at the speech contest sponsored by CHS and made arbors for Homecoming. They are, however, most remembered for their service at the faculty breakfast and the CSF banquet.

In order to be a member, students must be accepted by the active members of CHSS and then must prove their willingness to serve by performing 50 hours of work. These 50 hours prove to be a time of enjoyment rather than work, as was shown by the eagerness of the CHSS members.

Letterman's Club

Under the direction of Mr. John Christensen, the CHS Letterman's Club meets once a month to discuss the promotion of enthusiasm, interest, and cooperation in all sports activities. Wearing grey letter sweaters or red and gold varsity jackets, the boys work to organize SCVAL Track Finals, League finals for wrestling, and the ever-popular annual Donkey-basketball game. Freshman to senior boys make up the membership and are all active participants in athletics. Besides working, the Lettermen enjoy a current movie after each meeting and host Letterman's date night twice each year.

This year the club was headed by President Dennis White, Vice-president Terry Adams, Secretary-treasurer Rick Mason, and Sergeant-at-arms Chuck Bean.

All-American Girls

Willingness to work and serve the community is the basic requirement for an All-American Girl. This service club is made up of sophomore, junior, and senior girls who devote much time and enthusiasm to help others. The girls sent food to the Grant Convalescent Home over Christmas, and donated money to the orphans of the Ming Quong Home. Another yearly project was sponsoring the Valentine's Dance. These young ladies can be recognized as the annual new members come to school for a day in rather weird attire—such as the home-made crazy bonnets they wore this year.

Altruettes

Altruettes was formed to honor those girls who excelled in both scholarship and service. Its purpose is to provide service to any organization that requests the club's aid. It is under the capable leadership of Mrs. Stark.

Some of its outstanding activities have been working with Our Lady of Fatima, the Ming Quong Orphanage, and the City of Hope. The girls also decorate for school dances and serve as guides during Freshman orientation.

"Miracle Worker"

"The Miracle Worker" by William Gibson marked the beginning of a successful dramatic season at Cupertino. The outstanding production, directed by Mrs. Anna Atkinson, was presented on November 3, 4, and 5 to capacity crowds. It was highlighted by excellent characterizations of the blind and deaf Helen by Sandee Johnson and of her teacher Annie Sullivan by Cathie Kleinman. The versatile set represented a skeleton of the Keller home and enabled smooth movement of the play. The long, strenuous hours of rehearsal were rewarded by a request to perform at a dramatic competition at Foothill College on December 10.

Prospector

Every other Friday, the Prospector is delivered to anxious students during sixth period. Our newspaper staff works very hard to cover all news from who's who in the senior class to sports. All the information covered helps improve communications between students, giving Cupertino a well-informed student body.

The Journalism class is divided into two groups—the editors and the reporters. The reporters gather and write the news articles, while the editors arrange the copy to form our finished paper.

First semester editors Margie Moss, Marilyn Moore, and Jeff London with advisor Mrs. Edgell.

Second semester editors Gary Pfeiffer, Rick Harrington, Ann Bennett, and Jan Finn with Mrs. Edgell.

Nugget

In order to provide a memory of school this year, the staff has tried to be original and inventive. Along with the additional feature of color in the introduction, the staff has tried to provide both interesting photos and lay-outs. Under the patient and exacting eyes of advisor Mr. Pence and co-editors Sue Tanaka and Marilyn Moss, the staff has worked sixth period, after school, and on Saturday to produce a yearbook we hope to be proud of.

The first ingredient of a yearbook is pictures. Out of the dozens taken, the ones that are the most visually interesting (especially in such areas as the introductory section and candid) are hopefully chosen. Then comes the problem, in group shots, of identification (often harrowing and perhaps unsuccessful). Not only must the pictures themselves be interesting, but the way they are arranged on the page must also be inventive. This problem of lay-out is what probably takes more time than any other. Finally such details as headlines and copy (which shouldn't be **too** insipid) are taken care of. After all is ready, the page is put into an envelope and shipped to the publisher. Then, hope for the best.

Our Winter Love

The annual Christmas Ball brought to a close the activities of 1966. Decorated in green and silver, "Our Winter Love" captured the romance of the season. Music was provided by Dave Pugh and The Sentimentals.

Janis McPherson was crowned queen to reign over the evening's festivities. Her lovely attendants were Karen Rowell, Ginger Butts, Pam Hayes, and Pat Wilkerson.

International Student Exchange

This year CHS played host to ten students from foreign countries. Four of these students came to the United States through the Youth for Understanding program and stayed the entire school year. The remaining six came through the American Exchange program and stayed two months. During their visits, most of the exchange students lived with the families of CHS students. The purpose of the exchange programs is to promote international understanding by allowing students to observe first-hand and to participate in the culture of their host country.

To further develop international understanding, International Club was formed. With the help of club advisor Miss Ybarra, International Club organized meetings and activities to provide the means for international students to become familiar with CHS.

During the summer of 1966, three CHS students participated in the Youth for Understanding program. Mike McGory spent the summer in Germany, Bill Meyers in Japan, and Janet Brush in Holland. The four exchange students who came to CHS and stayed the entire year are Hirofumi Hiyama from Japan, Kerstin Johansson from Sweden, Hans Moller from Denmark, and Alberto Orlandi from Italy. The six students who stayed for two months are Gabriel Artigues and Carla Capelli from Chile, Monica Martins and Tomas Salles from Brazil, and David and Nancy Melgar from Peru.

Friends from Abroad

Hans Moller came to Cupertino High from Denmark to spend the 1966-67 school year. His American home was with Rick Carroll. Hans found many differences in CHS from his school in Denmark, and one of the ways by which he became acquainted with CHS was through his participation in cross-country and A Choir. After his year in America, Hans plans to return home to attend the Polytech University of Denmark and study engineering.

Another full year exchange student to Cupertino High was pretty Kerstin Johansson from Sweden. Kerstin lived with Jan McEwen during her American visit. Previously, Kerstin had traveled in Germany, England, and Scandinavia, but she found America very confusing at first, with its freeways and commercialism. Kerstin easily became an active member of CHS, participating in All-American Girls and Sports Class. Kerstin says she is looking forward to returning home to tell about our country and becoming a Biology teacher.

Hirofumi Hiyama brought humor and wit to many when he visited Cupertino from Hiroshima, Japan. During his stay, Hiro lived with Mr. and Mrs. W. J. Conner. This visit offered Hiro the opportunity to study American architecture, a subject in which he is greatly interested, and to compare it to that of Japan. Hiro, who is also fond of almost everything Italian, says he enjoyed his American visit enough to want to stay here for his college years.

Alberto Orlandi left his Italian home to visit and study in America. As with Hans and Kerstin, he noticed that American students seem less serious about their school work than students in his country. For the most part, Alberto studied languages, taking German, English, and French this year. Alberto's American home was made with Mr. and Mrs. John Wistrom.

Spanish Clubs

Any student interested in Spain and her people is invited to join the **Spanish Club**. Under the direction of Mrs. Barrett, this club has had several parties emphasizing the Spanish customs and foods. Though the activities are varied, they all center about the advancement of the

Spanish culture and speaking skills. The **Spanish Honor Society**, under the guidance of Miss Montoya, honors those who have maintained an A average in Spanish. This year, the club presented Los Intereses Creados giving two outstanding performances.

Le Cercle Francais

Promoting interest in La Belle France and developing a better command of the French language are two of the aims of Le Cercle Francais. At Christmas time, members of this club sang carols at nearby hospitals to cheer up the patients. This year, they also sang for the faculty breakfast and for the student body before and after the guidance programs.

Members of the club attend a French play and climax their evening with an elegant French dinner. This year the club also planned a very successful ski trip.

Developing Language

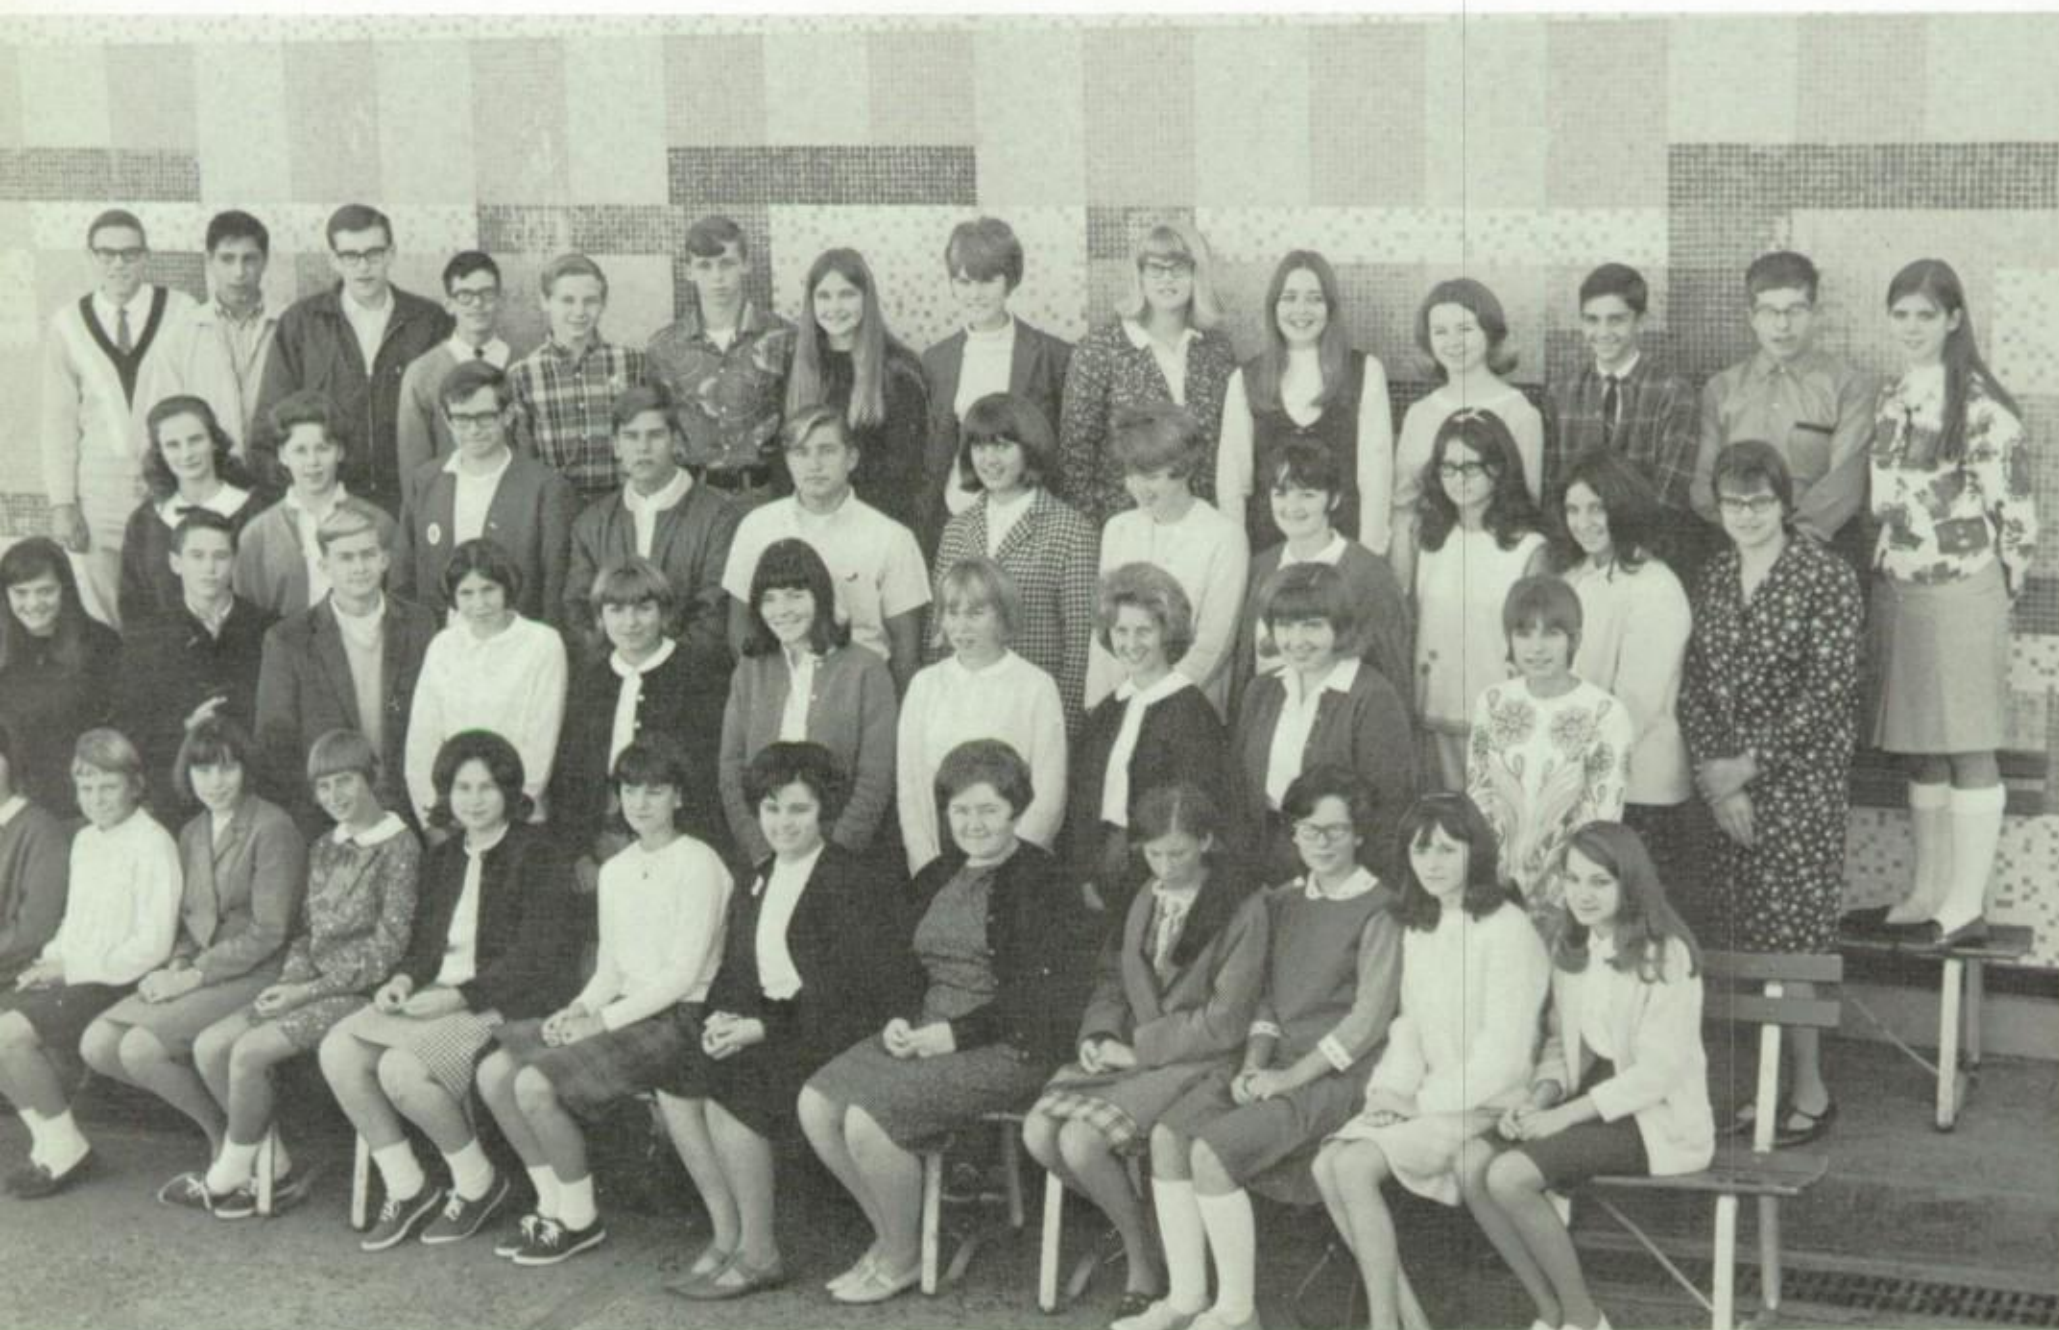

Creative Writing Club: L to R: Melinda Anderson, Debbie Shippey, Manuela Scullion, Pat Shade, Janice Garlick, Kaye Wofford

The Latin Club is one of the most active clubs on campus. Under the guidance of Mrs. Allen, the club members strive to better their understanding of Rome, its people, and its customs. This year our Latin Club sponsored the annual state convention of the Junior Classical League.

The Russian and German Clubs work to develop a better understanding of the languages and the countries.

Though it is important to develop an understanding and working ability in a foreign language, it is also important to freely understand our own. Our Creative Writing Club emphasizes this. The members work on original stories and essays. It is also their responsibility to publish the "Gold Dust", our literary magazine.

Oklahoma!

Sweeping from the midwestern plains of an earlier America, the beautiful lyrics of the Rogers and Hammerstein classic "Oklahoma!" enchanted Cupertino audiences. Jack Wiley sang his way into the heart of Tina Lanser, overcoming the evil intrusion of Chris Vicari. On the lighter side Sandee Harvey finally won her man, Chuck Spoerri. Strong performances were also given by Jane Dickinson, Karl Vidstrand, Hank Whittet, Sandee Johnson. Mrs. Atkinson directed the production, which was presented April 12, 13, 14, and 15. Mr. Gomez, Mr. Gober, and Mrs. Carlson co-ordinated the music and dance.

The Night Of January 16

On February 23, 25, and 26, Cupertino High School witnessed and participated in its first faculty play, "The Night of January 16". The setting was a courtroom and action centered around a murder trial-with the jury being selected from the audience. Mr. Coleman Jones, as district attorney, convinced the jury to convict Karin Andre, played by Mrs. Kathleen Hulburd, on the 25th. On the other two days the defense attorneys, Mr. Paul Licciardello and Miss Delia Ybarra, emerged with acquittals. The cast also included actors Bryld, Friend, Immitt, Boggie, Booth, Ryan, Gober, Simas, Fernandez, White, and Cuneo; actresses Jepsen, O'Brien, Cundith, Sweeney, Palma, Jensen, Ross, Stark, and Rowe.

The proceeds from the Sunday matinee were used to supplement the Parent-Faculty Club Scholarship Fund.

Mu Alpha Theta

Mu Alpha Theta, Cupertino's nationally-affiliated math club, is comprised, of course, of those students particularly interested in the subject. At meetings held after school, they learn and discuss various aspects of mathematics which would not normally be covered in the classroom. They enter and compete in various contests, notably the University of Santa Clara competition and the Mathematical Association of America test. A few members are presently attending a seminar every other Wednesday at the University of Santa Clara for students who excel in the mathematical arts.

Sophologists' Society

As their name would imply, Sophologists' Society is dedicated to learning. By attendance at and subsequent discussion of various plays, concerts, lectures, etc., in the area, they hope to extend their vistas of knowledge. Attendance varies from activities such as lectures by J. B. Rhine, noted parapsychologist, to traveling to plays given by the American Conservatory Theatre, not to mention after-event tribal rites at Blum's for the inner man.

Medical Club

The Cupertino Medical Club, nearly 25 strong, participated in numerous activities designed to acquaint members with various aspects of the medical profession. Hospital facilities in both Santa Clara and San Francisco were visited, highlighted by the annual Health Careers Conference, which was held at the San Jose City College this year. During Christmas, stuffed animals were presented to the bed-ridden children at two hospitals and monthly visitations were planned to rest homes for the elderly.

Preparing For The Future

Every day at 1:45, members of the **Future Teachers of America** leave school to teach at DeVargas Elementary School. They gain valuable experience that will later help them as teachers. This year, some of the members attended a teaching convention in Sacramento and a dinner held at Foothill Junior College.

Future Homemakers of America gives girls the opportunity to perfect their work in the particular field of interest they find most challenging. The club's most important job is the annual fashion show, this year to be held on March 17.

Aiding business-minded students, **FBLA** provides field trips, lectures, and movies. The club strives to prepare students to meet the demands of the business world. It also teaches them proper etiquette when applying for a job or attending an interview.

Many organizations, established to help students with their classwork, contribute to making Cupertino a superior school. One of the most important of these is our hard-working TV crew. This industrious group provides informative guidance programs to keep the students abreast of all school news, as well as educational programs to supplement classwork.

Supporting the TV staff is the AV crew. The AV staff supervises the use and maintenance of the projectors, record players, overheads, and tape recorders.

Demands for research are met by our efficient library staff. These thirteen students are kept busy sorting, cataloguing, and shelving books, pamphlets, and magazines used by both teachers and students.

Our newly organized Industrial Arts club stresses the enhancement of technical and industrial skills. One of its chief objectives is to perform many of the handy man jobs around campus.

Winning Seasons For Varsity, J.V.

Sparked by new coach Biff Crawley, the Varsity football team pounded out six victories while losing only three. Keith Tatsuta, junior quarterback, received great protection from an aggressive offensive line. In the Santa Clara game, Cupertino's best, the big linemen opened up enough holes for Terry Adams to score a record-breaking six touchdowns. Leading a tough Pioneer defensive unit was Dan McCash. Adams and McCash were chosen for

the ALL-SCVAL first team. All-league honorable mention included Terry Ellis, Jordan Pavacich, Bentley Silva, Pete Pritchard, and Steve Gudelj.

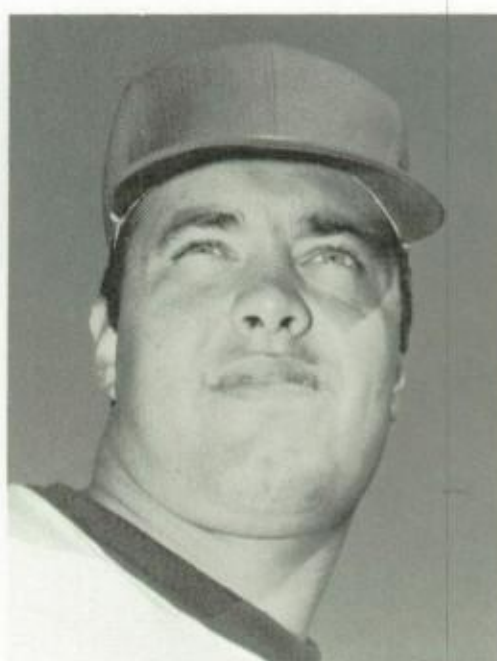

The Junior Varsity squad compiled a very successful 5-1 season, losing only to Lynbrook's varsity. The big win was a 56-6 victory over Los Altos.

Blazers Victorious

Despite devastating injuries, the Cupertino Blazers proved they were indeed a team to be reckoned with. During the 1966 football season, the Frosh-Soph team displayed not only their determination and enthusiasm, but also their ability and teamwork by finishing fourth in the league. The defensive unit, led by Russ Leal and Chuck Pritchard, both all-SCVAL selections, held its opponents to a mere 64 points during the entire season. All-league halfback Gary Tanno sparked the offensive unit to a 5-3-1 season.

SCVAL Champions

The 1966 Varsity Cross-Country team displayed its greatest depth and talent in Cupertino history. With Gary Hanson, Dan Horan, Jerry Tompsett, and Larry Rentschler being selected as All-League; and Russ Danielson, Charles Waldman, Jeff McKay, and Tom Young supplying great depth, the team swept to successive championships in the FUHSD and SCVAL finals. The team then placed second in

CCS Finals, and were then ranked 4th in the Nation.

With inspiration from Coach Renner the other three teams worked hard and did outstanding jobs. The JV's finished 2nd in the league, with the Sophs and Frosh also finishing respectably.

Water Polo Looks Ahead

Plagued by early season bad breaks, the Varsity water polo team finished its season with a 1-8 record in the tough SCVAL. Leadership and enthusiasm were displayed by Gary Bergtholdt, Most Inspirational Player, and Pat Campbell, Most Valuable Player.

The Frosh-Soph squad swam to a 2-7 win-loss record. They were led by Chris Holt, who received the Most Valuable Player award.

Front Row: Steve Johnson, Nard Michals, Dave Saraceno, Tom Martin. Back Row: John Myers, Ed Krone, Mike McGory, J. C. Eisenreich, John Dybvig, Rick Korte.

SCVAL Champs

Cupertino can be proud of a job well done. Combining its greatest-ever depth and talent with hard work and constant practice, the Varsity basketball team proved tough enough to be Number 1 in the SCVAL. Not only did they present Cupertino with the League Championship, but sported two All-League players, Mike McGory and Rick Korte. Both players hit in double figures all season and both broke the Cupertino single-game scoring record. While McGory scored 28 points against Mountain View, Korte set the current standard with a 32 point effort against Wilcox. McGory also had three other 27 point performances and a 19.0 scoring average as he was chosen an All-Mid-Peninsula forward.

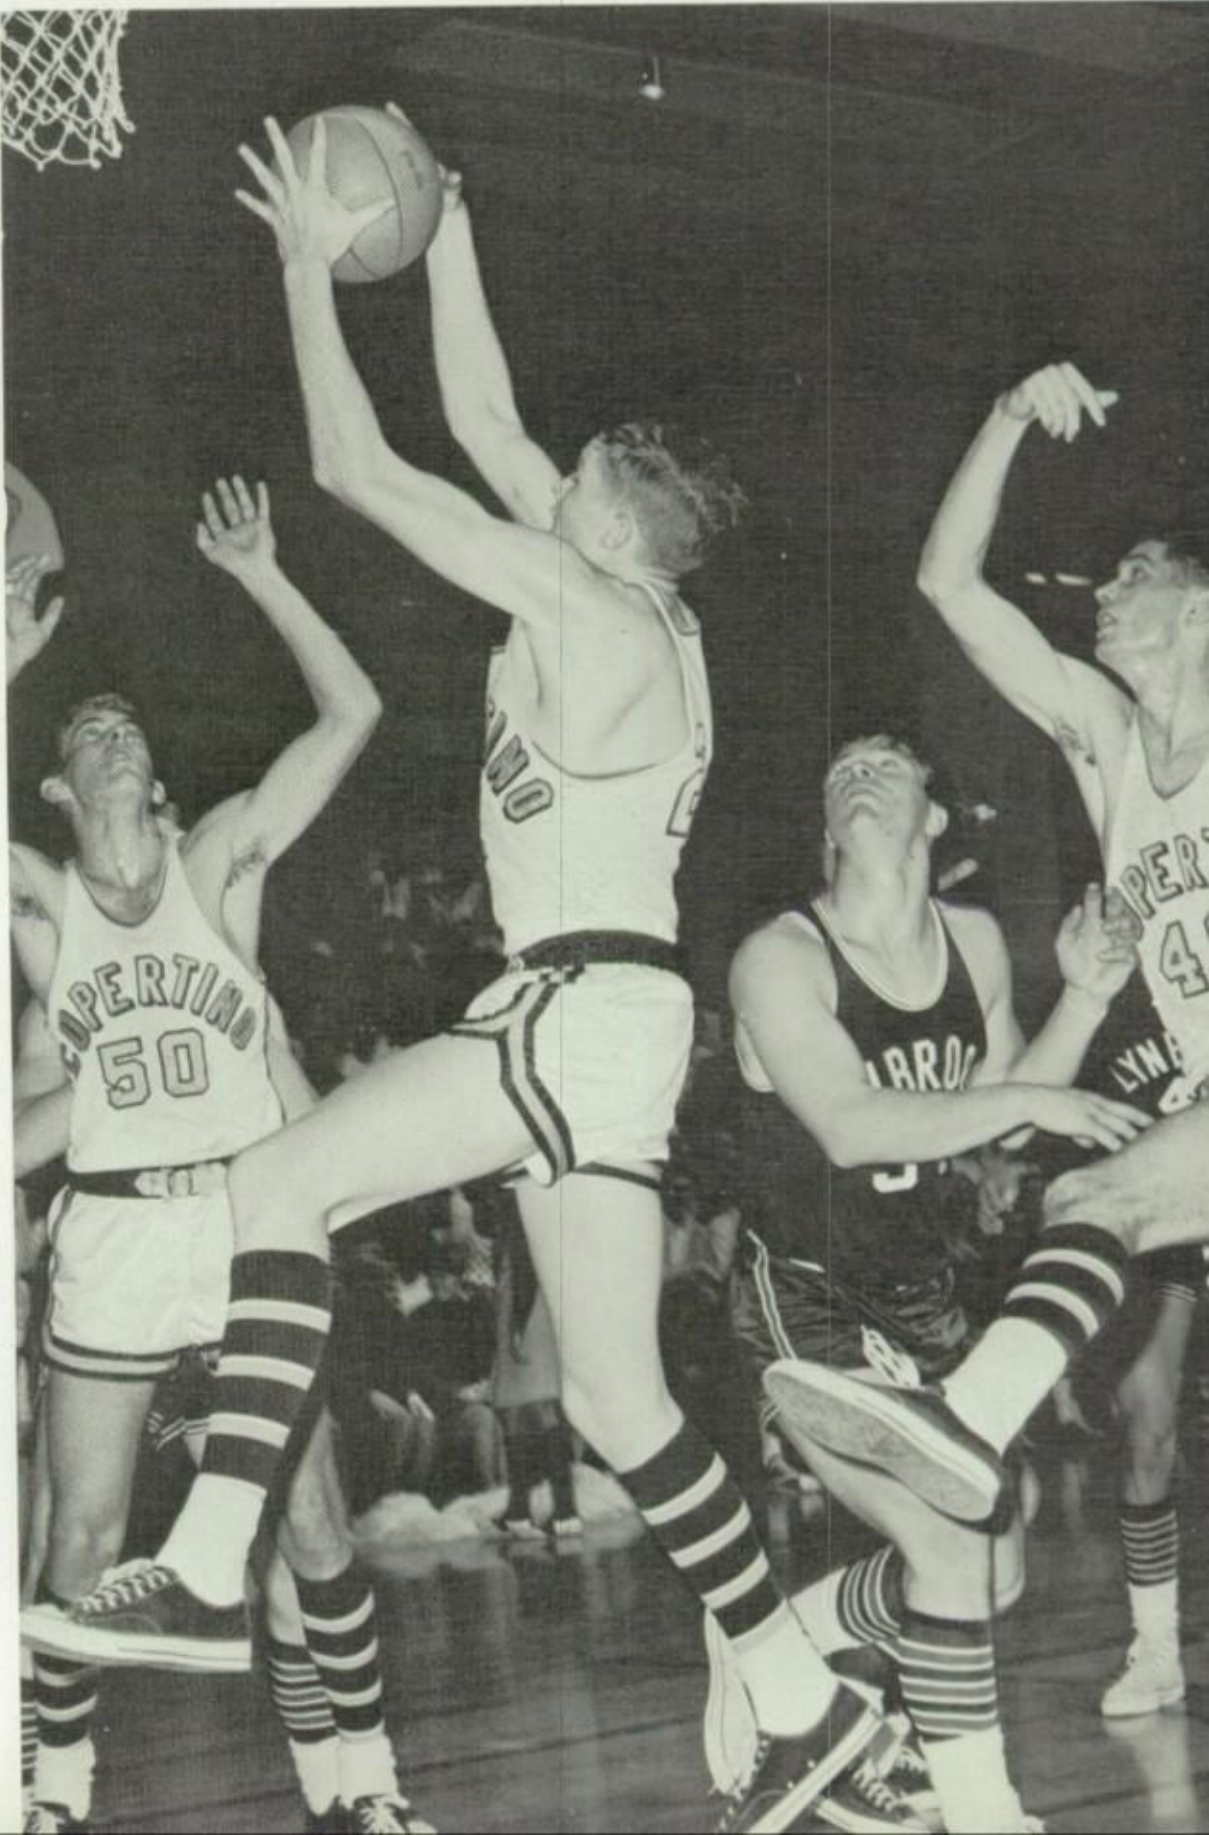

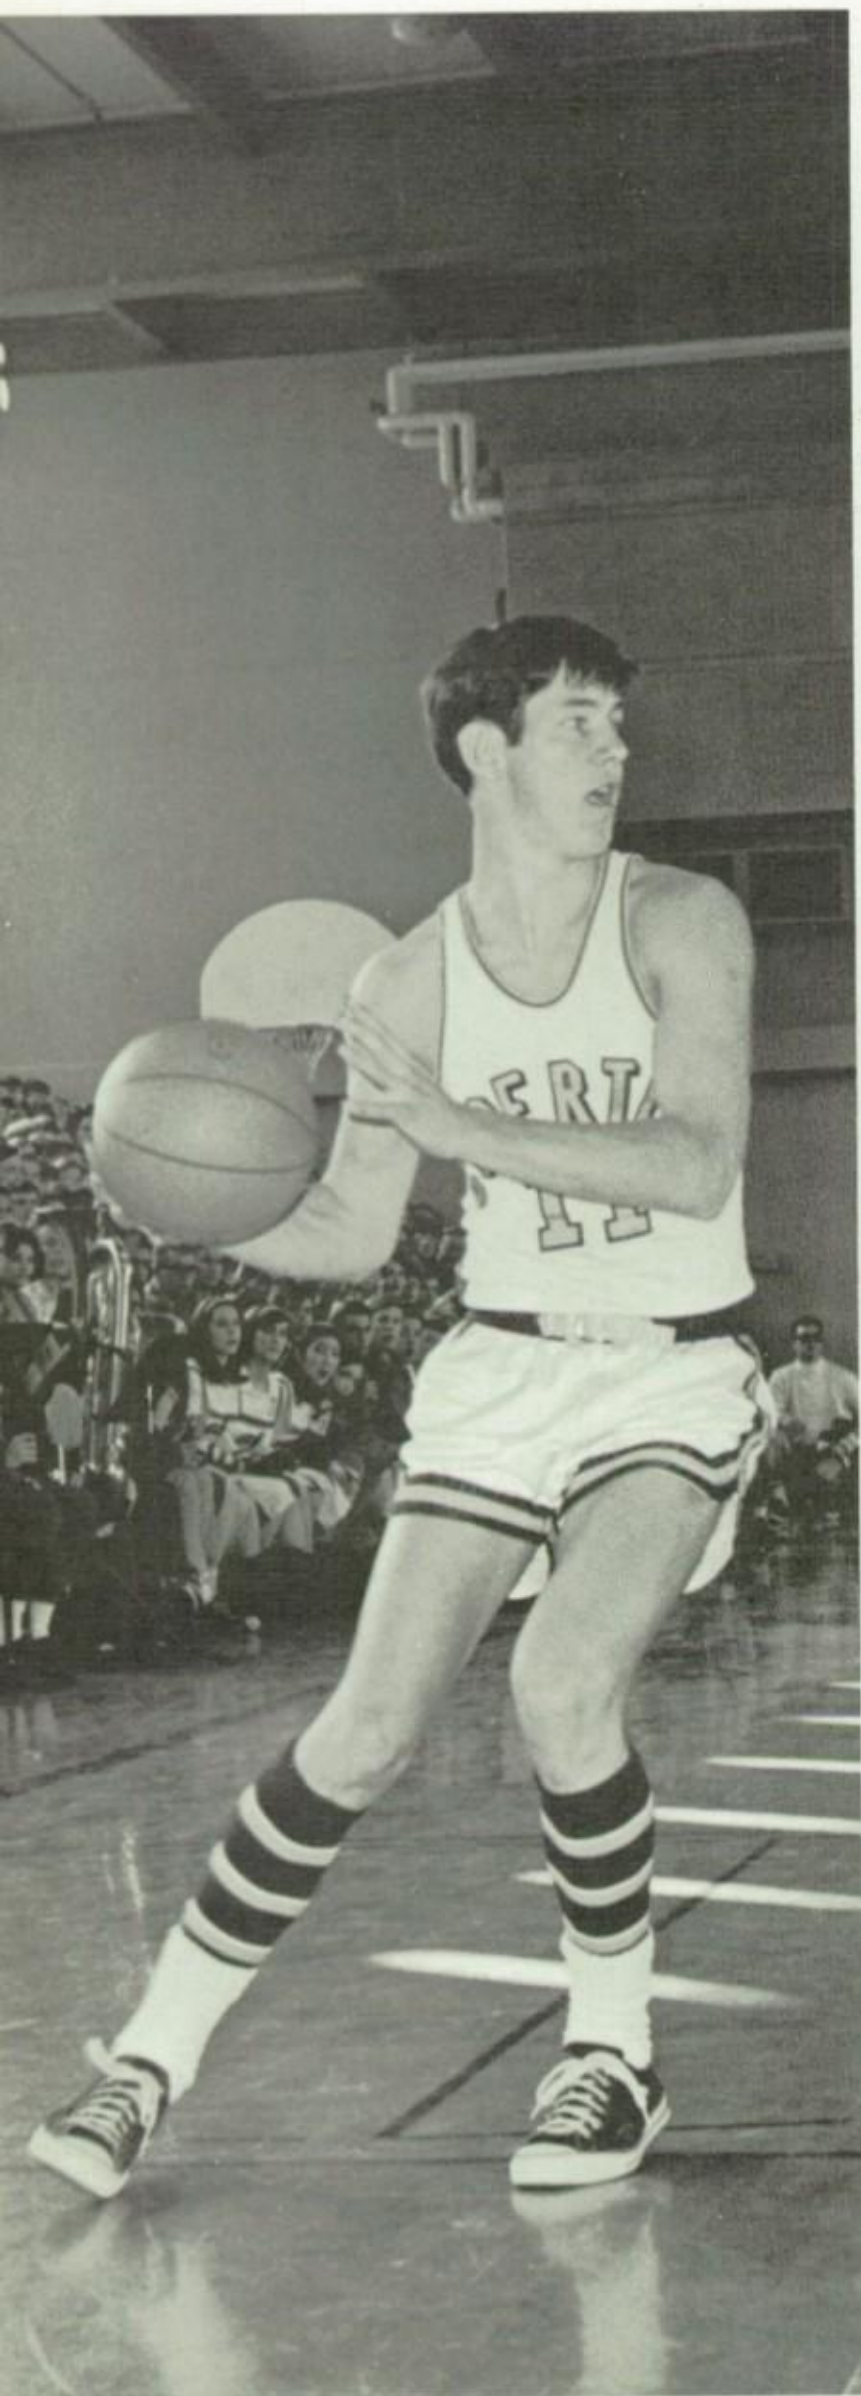

While John Dybvig controlled play at the pivot position,

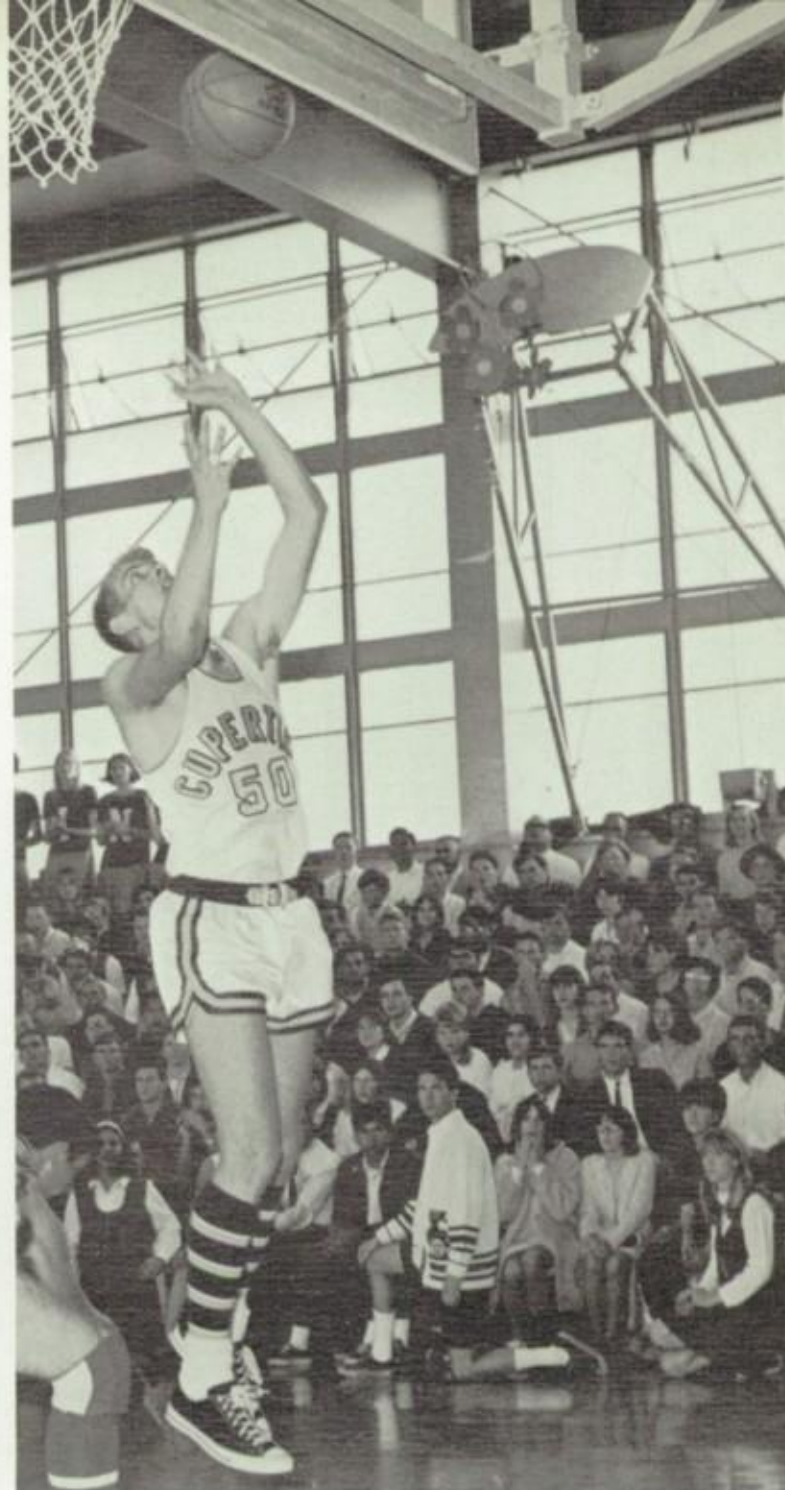

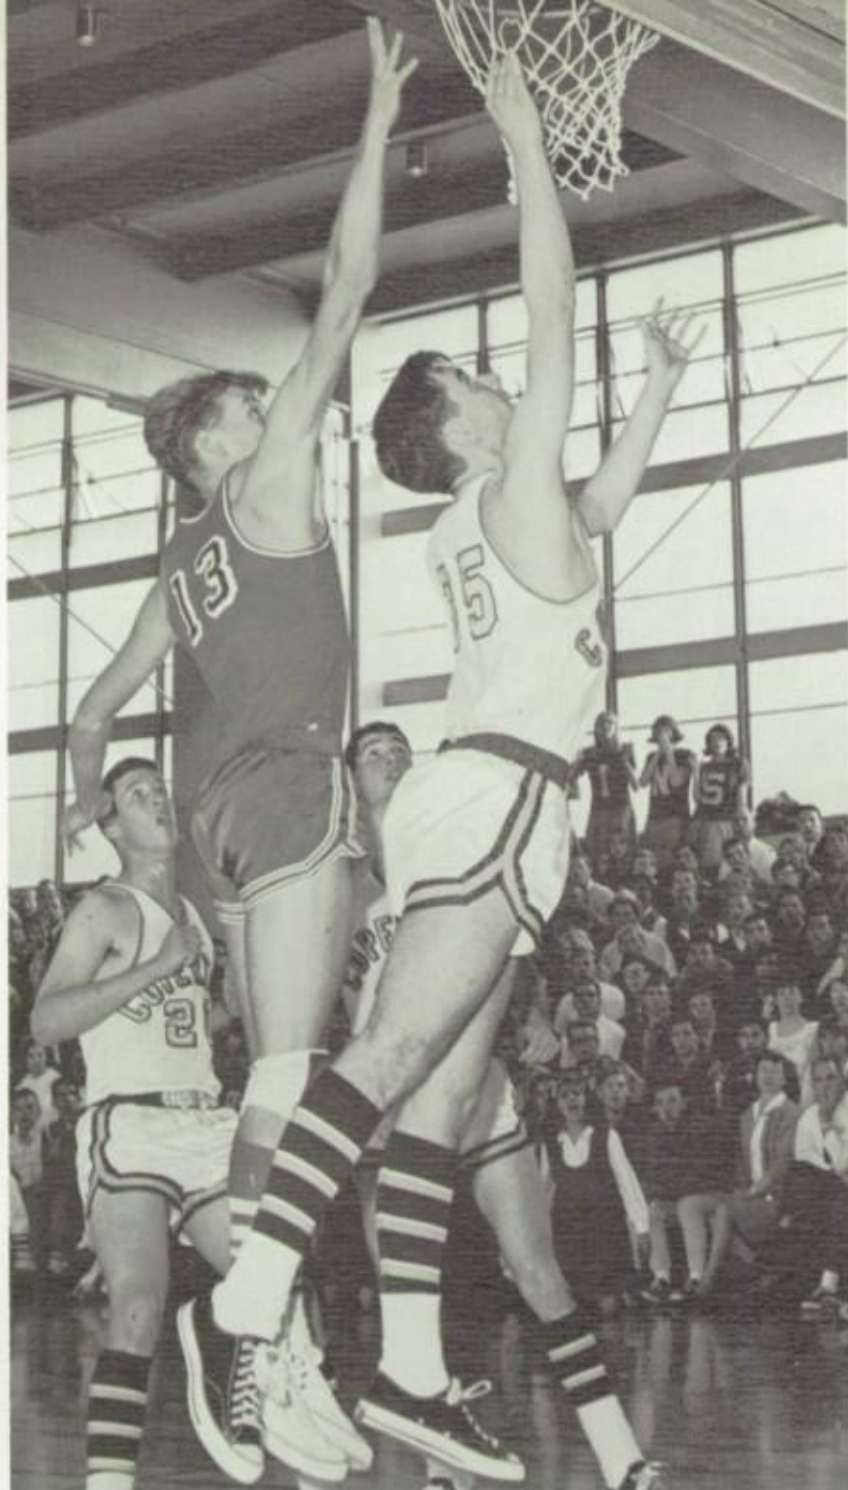

guards John Myers and Dave Saraceno showed opponents their great skill in ball control and superior outside shooting ability. Coupled with McGory's agile inside moves and Korte's fine corner shots, the Pioneers sported the highest scoring average in the league, along with a league single-game scoring record of 95 points against Wilcox. Showing that they were of championship caliber all the way, the Cupertino Varsity was also second in the league in defense.

The fine coaching by Mr. Ferdinandsen, along with the great teamwork and inspiration displayed by the Pioneers, proved well worth the effort. Cupertino had the honor of participating, for the first time, in the Peninsula Basketball Tournament held at Stanford University.

The Frosh-Soph squad, piloted by Mr. McElveny, finished with a very respectable 8-3 season. The team was led by the combined efforts of Steve Bari, Most Valuable Player; Ron Elkins, Most Inspired Player; and Mike Cloyd, with the Highest Free-throw average.

Junior Varsity basketball was coached by Mr. Relph. Players receiving team honors were Jim Cergl, Most Valuable Player; and Jim Thomas, Most Improved Player.

Coach Ferdinand

"C" ACTION

The "C's", coached by Mr. Ferdinand, earned a first-ever basketball championship for Cupertino in 1966. With a superior first-string and fine reserve help, the "C's" blazed to a 10-1 record, only to be tied for first place honors with Fremont. They were led by most valuable player Tim Quinlan, and captain Frank Vivian. Others doing a fine job all season for the champs were Kirk Rowell, Steve Korte, and Gary Filizetti.

D's and Frosh

The "D" cagers played winning basketball for most of the season for Coach McElveny. Led by Most Valuable Player John Bender and Captain Steve Menz, the lightweights battled to a 7-4 record and a fourth-place finish in a tough league.

The Frosh were not to be outdone by other Cupertino teams this year. In what proved to be our most successful year in basketball, the Frosh finished with a record of 8-1. Coach Christensen's forces were led by Dave Land, Don DeHart, and Lou Tapia.

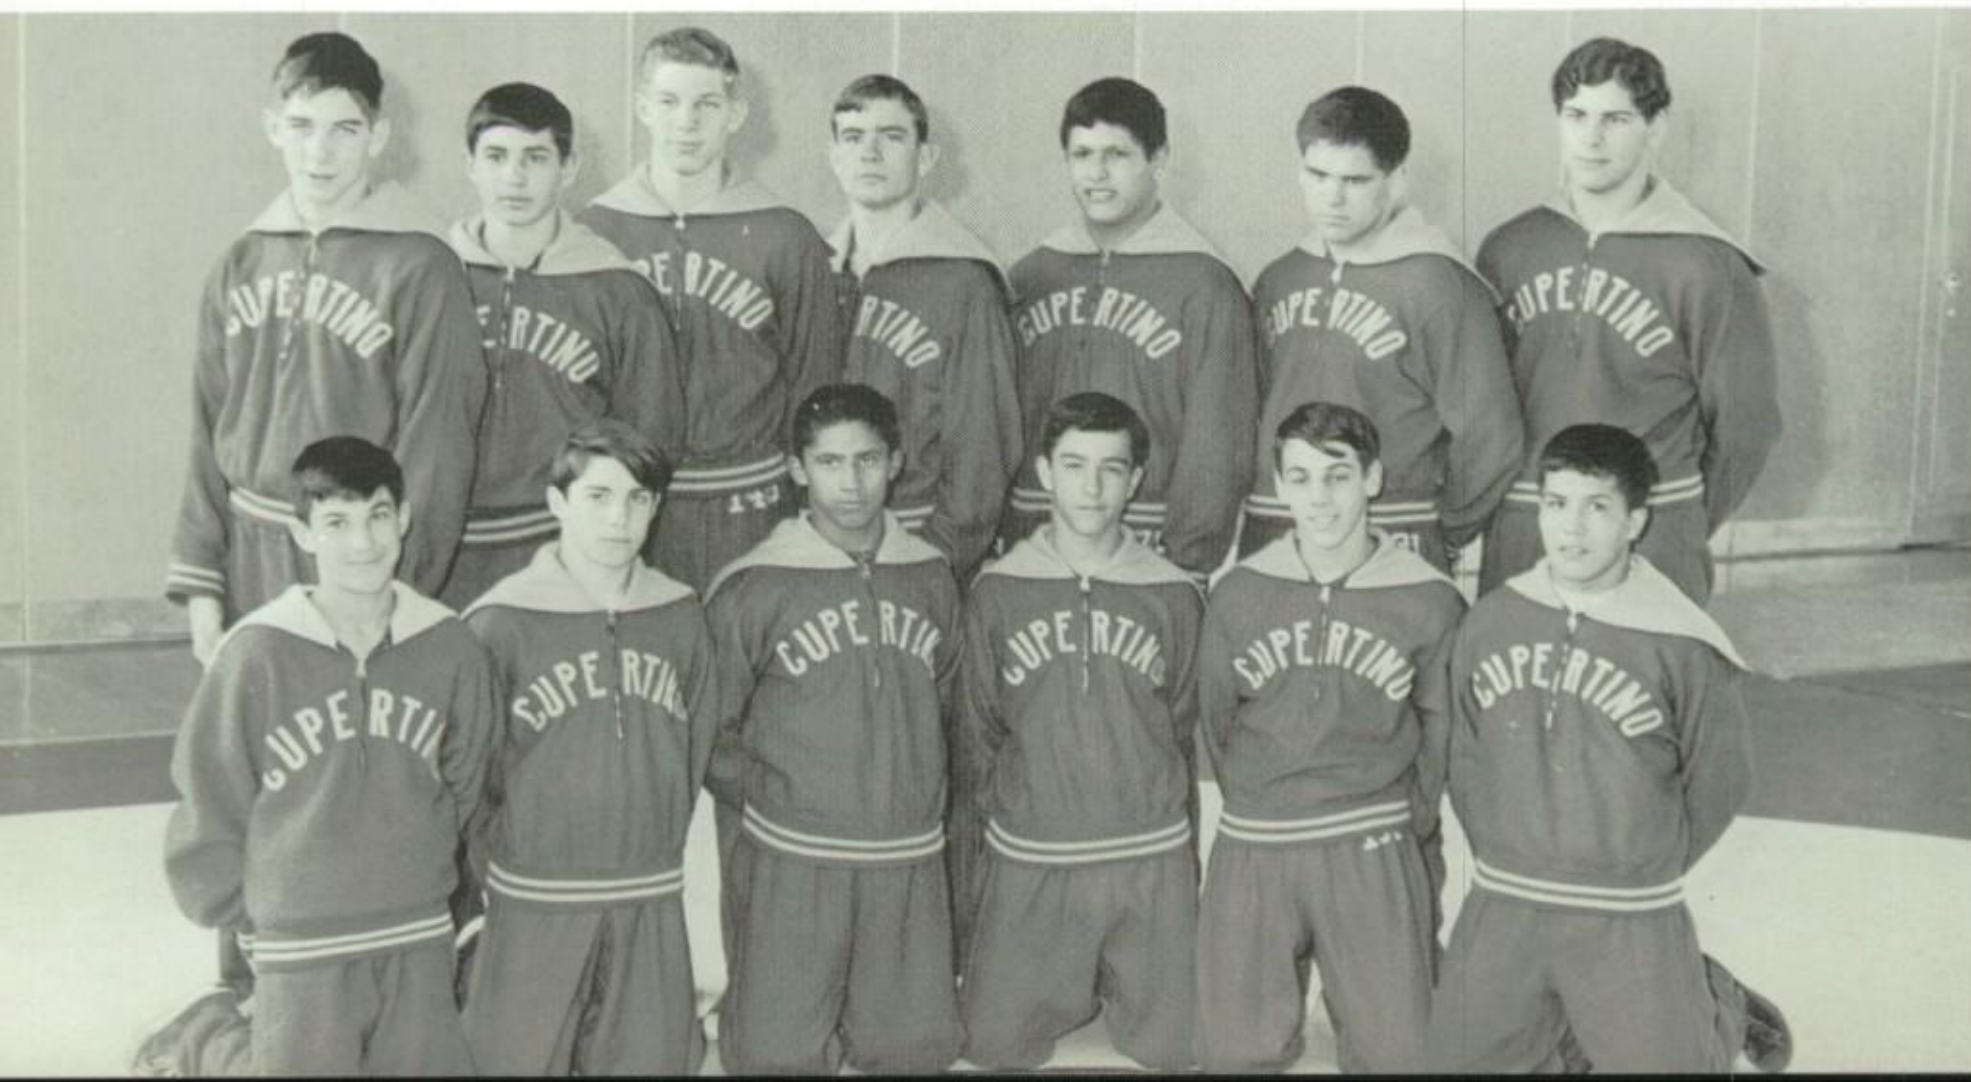

Frosh: Front Row—D. Land, W. Kolman, M. Bender, M. Rasmussen, Ken Kondon Back Row—C. Carmack, D. DeHart, L. Tapia, D. Cook, R. Baydston

Coach Shore

Although getting off to a rocky start, our Varsity grapplers came on strong, winning their last three meets of the season. Their disappointing 3-8 record is no indication of the fine wrestlers CHS possesses. Bob Garcia, Frank Serrano, and Gary Greenfest did fine jobs at the league finals held at CHS.

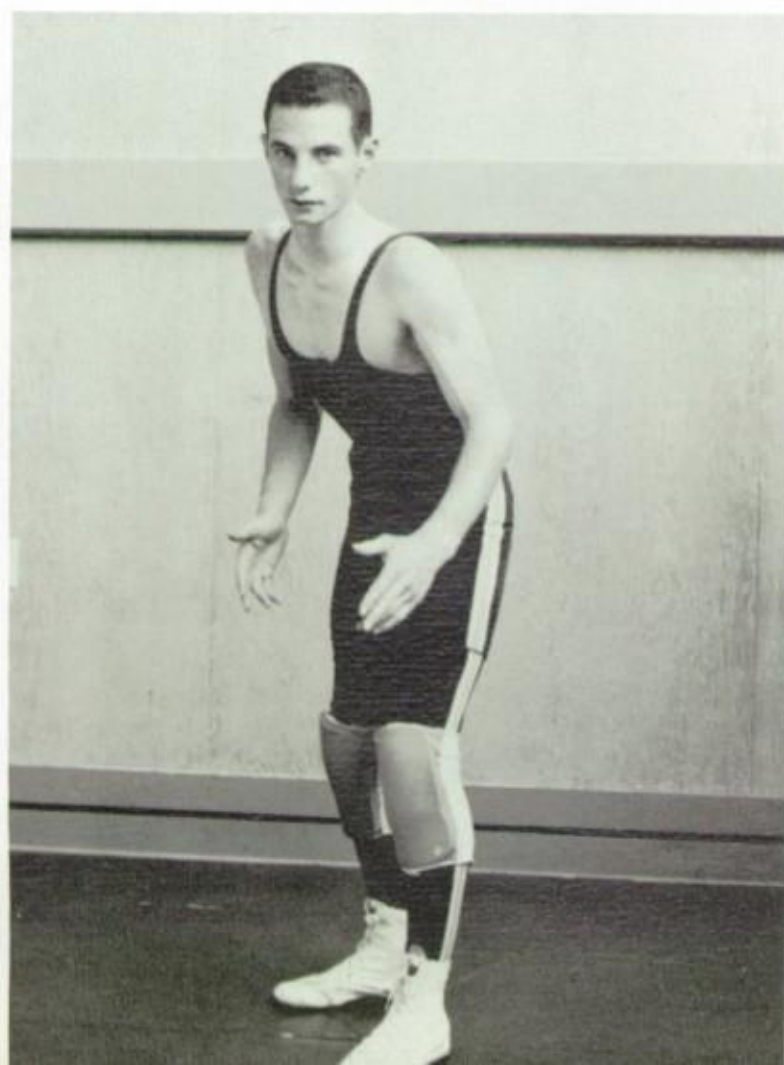

Garcia traveled to Sacramento to the NCI meet after taking victories at SCVAL and CCS meets. Claiming the championship in his weight class at NCI, Bob upheld a long Cupertino tradition, going back to the days of our championship teams.

Our Frosh-Soph squad compiled a surprising 8-3 record for a fine season. The team was led by such outstanding wrestlers as Bill Manley and Rich Vigil.

Interclass Relays

Starting the race, the class Presidents ran the first lap with the freshman having a 110 yd. head start. The mighty seniors were able to overcome the handicap and went on to win an exciting race, with the juniors coming in second and the freshman third. Once again the class of '67 proved that even as seniors they lead the school.

Sports Class

Sports Class has represented our school for the past five years in girls' competitive athletics. Although the contests are not widely publicized, the girls perfect their skills in sports from hockey to modern dance.

Sports Class sponsored many activities not only for the club itself, but also for the student body. Among these were the Modern Dance Show, Sadie Hawkins, and Aquacade. The main event is a slumber party held in the spring which includes Freshman initiation, a movie, food, awards, elections, and most important, friendship.

This year's enthusiastic officers are Stacey Rule, pres.; Jan LaPorte, vice-pres.; Linda Ozenbaugh, treasurer; Gerry Rodriguez, secretary; Kerry Crosby, historian; Jan Brush, point recorder; Cheryl Stewart, sports commissioner. The club advisor is Mrs. Dexter, who actually founded the organization.

There Is A Time

"There Is a Time" was the title of this year's modern dance show, put on by the girls in Sports Class. It was presented Feb. 9, in the auditorium. Many new things happened this year to make the dance show different from the ones of previous years.

For one thing, those who had expected to see only female performers were proved wrong when some of the dancers were Chuck Spoerri, Gary Voss, and Robin Welch.

Not only was this new, but some of the girls made a psych backdrop to help with the lighting. Mr. Buses and his crew were able to give each dance a new dimension in lighting.

The dances this year covered a wide range. On the serious and sad side were "Time Has Heavy Handles" and "Sea Shadow", choreographed and danced by the show's director, Mrs. Carlson. On the light side was "The Hobos". Toward the different and unusual were dances like "Abstractions", "The Journey", and "The Infection".
